Major,

There are unconfirmed reports that there is a protest scheduled for either 2:30 or 4:00 in Collierville at the intersection of Poplar and Byhalia. MPD, SCSD, and CPD have not been able to track the source. It is merely rumor at the moment. CPD is headed to Carrier to interview a subject that said he was going to the protest after work. I'm about to get airborne and fly to Collierville to see if I can observe anything.

No protests were observed. We will check again at 1600. The rumor was for 1430 or 1600. Still no verification other than it was to be a flash mob.
